

Inspecta Sertifointi Oy has granted a product certificate to

East Element Company Oy

Juumantie 3 D, 93999 KUUSAMO

to certify that Inspecta Sertifointi Oy has verified that the following products of the company and their manufacturing quality assurance fulfil the requirements set in the requirement documents **by 50:2012, TR 15:2007**

Precast concrete elements

Place of manufacture: Kuusamo, Finland

The company is entitled to use the certification mark on products fulfilling the requirements.
The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2013-12-30

Tomi Kasurinen, Managing Director

The certificate is based on initial inspection and type testing. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met.
The validity of the certificate can be checked on the Internet at www.inspecta.fi
